Sounds fun Brad. Thanks for letting me know and please keep me updated on your progress. Did you get an email from Karen Sykes or Craig M. concerning your transition?

Hi guys,

It looks as though we will have to go through the Board process again. I will start working on the amendment resolution for submission

Subject: Brown Road Group Loan

Commissioner Palmer has informed me this item must go through the Board process as it is different from the original passed by the Board.

This can be accomplished by submitting a resolution to amend a resolution previously adopted. The resolution that is to be amended is MR 03337. The next P & B meeting is July 13th, please have the appropriate paperwork to me by July 6th.
